Tri Nations Winter Sports

3 days ... 3 countries ... 3 winter adventures

An action packed, globe trotting, winter weekend to remember. Spanning three countries, three days and three winter sports. One long weekend of pure adventure - to enjoy and share with friends.

Day 1:

Switzerland: warm up your muscles before tomorrow's big day - with a morning on the slopes of the stunning resort of Verbier. Tired legs? Prepare to take to the skies. Strap in, hold tight, and get ready to have your mind blown, with an acrobatic tandem parapente ride over Mont Fort. Not enough action? It's time to get down and party with the après ski band in the famous Farinet.

Day 2:

Italy: Can you handle the competition on Courmayeur's race circuit? Take on the boss at slalom. Challenge your mates in the whacky races. Join the team sledging championships. From expert skiers to first time adventurers, we have an event for you. Finish off with our awesome Italian Job evening - a high altitude, high speed skidoo run to our exclusive dining hideaway, way up in the Italian Alps.

Day 3:

France: For the adventurous among you, it's time to take a ride (with our mountain guides) from the rooftop of the Alps down the longest glacier in Europe. This is the world famous Vallee Blanche: probably the most spectacular ski route in the world. Finish off a perfect weekend with a glass of champagne, as you soar high in a hot air balloon to watch the sun set over the mountains. Pure pleasure!
